

TWO SIGMA INFO SESSION

Two Sigma is one of the world's leading systematic investment managers.

More concretely, we are a community of professionals deeply interested in the following question:

how can we apply the scientific method and use the world's tools and intelligence to forecast quantitative economic outcomes?

In pursuit of this, we continuously seek world-class researchers who are empirical and imaginative thinkers.

To learn more about us, join our info session.

Two Sigma Info Session

Wednesday, February 28, 2018

1:00 PM

University Politehnica of Bucharest, Rectorat
Building, Room AN034 Bucharest, Romania , 060042
