To the Rector of
Politehnica University of
Bucharest
Mihnea Costoiu

Dear Mihnea Costoiu!

From 24th February to 1st March, 2019 at Gubkin Russian State University of Oil and Gas (National Research University) will be held the Third International Oil and Gas Majoring Students Forum “New Generation: Across the Universe”.

Creating a reliable platform for students consisting of the best universities of the world to exchange ideas, experience and technologies, strengthen scientific cooperation and business contacts between Russian and foreign experts, the definition of future trends in scientific and technological development in the oil and gas industry are the main objectives of the Forum. The forum received the approval and support of the Society of Petroleum Engineers (SPE) and World petroleum Council (WPC).

The Second Forum was a truly unique event. The participants were students from 30 countries and 39 universities around the world. Also, the Forum was attended by guests - first person, management and leading specialists of the largest oil and gas companies and relevant agencies of the country.

The Forum will consist of round tables and panel sessions, as well as a case-tournament, seminars and trainings, a rich cultural program and many other events.

More detailed information of the Third International Oil and Gas Majoring Students Forum “New Generation: Across the Universe” you can find on our official website acrosstheuniverse.ru

University’s administration sincerely hopes for your interest in the consolidation of forces of the world’s top institutions of higher education to create an open field for discussion during the Forum.

We look forward to your positive response and hope to see the students of Politehnica University of Bucharest at the Forum!

Sincerely,
Rector

Victor G. Martynov
