ABOUT ERASMUS+

Erasmus+ is the EU Programme in the fields of education, training, youth and sport for the period 2021-2027. Education, training, youth and sport are key areas that support citizens in their personal and professional development. High quality, inclusive education and training, as well as informal and non-formal learning, ultimately equip young people and participants of all ages with the qualifications and skills needed for their meaningful participation in democratic society, intercultural understanding and successful transition in the labour market.

Building on the success of the programme in the period 2014-2020, Erasmus+ strengthens its efforts to increase the opportunities offered to more participants and to a wider range of organisations, focusing on its qualitative impact and contributing to more inclusive and cohesive, greener and digitally fit societies.

The EU Commission adopted the first annual work programme of Erasmus+ 2021-2027. With a budget of €26.2 billion, (compared to €14.7 billion for 2014-2020), complemented with about €2.2 billion from EU's external instruments, the new and revamped programme will fund learning mobility and cross-border cooperation projects for 10 million Europeans of all ages and all backgrounds.

WHY ERASMUS+

Why chose Erasmus + programe

The Programme has the following specific objectives:

- Promote learning mobility of individuals and groups, as well as cooperation, quality, inclusion and equity, excellence, creativity and innovation at the level of organisations and policies in the field of education and training;
- Promote non-formal and informal learning mobility and active participation among young people, as well as cooperation, quality, inclusion, creativity and innovation at the level of organisations and policies in the field of youth;
- Promote learning mobility of sport staff, as well as cooperation, quality, inclusion, creativity and innovation at the level of sport organisations and sport policies.
