

# Summer Programs at Osnabrück University of Applied Sciences

Osnabrück University of Applied Sciences is currently accepting applications for our summer programs (details below):

- **International Summer University, Campus Osnabrück, July 13 – August 4**
- **Summer University Lingen, Campus Lingen, July 9 – 22.**

We warmly invite you and any students or colleagues who would be interested to join our Zoom information sessions on Summer Schools at Osnabrück University of Applied Sciences, where we will inform about both programs.

The first session will take place on **March 1, 9 a.m. German time**. Join our Zoom Meeting at <https://hs-osnabrueck.zoom.us/j/94014289478?pwd=Nml2VW5vV0xWalZjOC9yYytJWHk3QT09>

The second session will take place on **March 2, 4 p.m. German time**. Join our Zoom Meeting at <https://hs-osnabrueck.zoom.us/j/91015351075?pwd=TWJvUFpCSmFLZVRiMDdVQ1NLbDNlZz09>

## 1. **International Summer University (ISU) Osnabrück Campus, July 13 – August 4, 2023**

Courses on bachelor level:

**Corporate Social Responsibility & Sustainability**

**Organisational Culture and Behaviour**

**Clinical Perspectives in Physiotherapy**

**Special Food Technologies**

**The Role of Cash Transfers in times of Crises - Lessons learned from Covid-19 when protecting people's capabilities**

Course on graduate level:

**Global Healthcare Management**

Students choose one course, which is then combined with classes on German language, Intercultural Competence, Facts about Germany and Osnabrück as well as city trips, company visits and cultural activities.

Students meet participants from a variety of countries and study in an intercultural environment.

The subjects are taught by academics from Osnabrück and its international partner universities with plenty of professional experience.

Upon successful participation students receive a certificate of attendance and 5 ECTS credit points.

The program is taught in English.

Registration: until March 31, 2023. The course fee is 1,950 Euro.

For detailed information please visit [www.hs-osnabrueck.de/international-summer-university](http://www.hs-osnabrueck.de/international-summer-university).

## 2. **Summer University Lingen (SUL) Lingen Campus, July 9 until July 21, 2023**

It is open to undergraduate and graduate students of any degree course (but especially interesting for those studying business or related subjects).

During the SUL, German and international students will work on the topic of “International German SME (Small and Medium Enterprises) – Sustainability in Business and Technology”. Lingen Campus is a fantastic place for a summer abroad because we put theory into practice:

- close cooperation with companies and organizations in the region
- several company visits
- teaching and learning is very practice-oriented
- small study groups
- modern learning environment with state-of-the-art facilities and equipment
- safe city with very welcoming and open-minded people

Through our collaborations with companies in the region of Lingen, **students will visit several international operating companies to gain insight into the regional, international, and global procedures of companies in Germany**, the city of Lingen and its surrounding area. A great way to network with future employers!

In addition, many activities such as a weekend trip to Berlin and trips to neighboring cities such as Münster, Osnabrück or Bremen enable participants to get to know each other, learn more about our region and Germany. By attending the program, students will improve soft skills such as communication and presentations skill, teamwork with international groups, intercultural skills and critical thinking.

Applications can be submitted until June 1, 2023. The program fee is EUR 1,200.

It would also be great if you can inform your students about our summer programs by forwarding the attached flyer. More information can be found on our [website](#). Additionally, you find on YouTube our [video of the SUL 2018](#).

If you are not the right contact person we kindly ask you to forward this email. Please feel free to contact us if you have any questions.
