announce the organization of

THE 32nd CONFERENCE ON APPLIED AND INDUSTRIAL MATHEMATICS

- CAIM 2025 -

The Conference will be held at University Politehnica of Bucharest, Romania, between 18th and 21st of September, 2025.

Objectives of CAIM 2025

- **CAIM series provide a forum for the review of the recent trends in applied and industrial mathematics, from either a qualitative or a numerical point of view.**
- **Since theoretical studies find sooner or later their applicability, the conference has also sections for the theoretical branches of mathematics like algebra or geometry.**
- **Computer science communications are welcome.**
- **A special section of the conference is dedicated to the mathematical teaching.**

Conference Sections

- 1. Partial Differential Equations**
- 2. Ordinary Differential Equations, Dynamical Systems;**
- 3. Mathematical Modeling in Engineering and Life Sciences;**
- 4. Real, Complex, Functional and Numerical Analysis;**
- 5. Probability Theory, Mathematical Statistics, Operations Research;**
- 6. Algebra, Logic, Geometry;**
- 7. Computer Science;**
- 8. Education.**

Abstract Submission

We invite presentations on the outlined topics or any other in close relation to those. The abstracts for Sections 1-7 shall be written in English by using LATEX, while the abstracts for Section 8 may be written in English or Romanian by using LATEX or Microsoft Word. Abstracts should be submitted to conferences.caim@yahoo.com before August 15, 2025.

Proceedings

The Proceedings of the Conference will be published in ROMAI Journal <https://rj.romai.ro> sections 1-7. The Proceedings will contain only the papers accepted after the reviewing process.

The contributors to the didactic Section 8 can publish their paper(s) in a special volume. The final paper should be submitted to llchiriac@gmail.com before: August 20, 2025.
