

Wrocław University of Science and Technology

heartily invites you to participate in the International Staff Training Week on:

***Engaging the Public with Science and Technology through
Effective Communication***

We are happy to announce our next International Staff Training Week.

The subject of this event is complementary to the parallel [2nd International Conference on Social Context of Sciences](#), organised at Wrocław Tech, which focuses on Interdisciplinarity and Technology Assessment. The central theme of ISTW will be on how scientists can effectively connect with society and amplify the impact of their research by improving communication with the public. The workshops offered during ISTW will cover topics such as science popularization, leveraging social media to engage the public, and making scientific resources accessible to individuals with special needs.

You are most welcome to take part in the conference sessions as a listener or as a presenter.

More details can be found at <https://scs.pwr.edu.pl/>.

In addition to the workshops, networking, and knowledge-sharing opportunities, you will enjoy:

- City tour
- Trip in Lower Silesia region
- Gala dinner
- Coffee breaks
- Lunches

Application deadline: **31st March**

The International Staff Training Week is mainly dedicated to academic staff & researchers.*

Wrocław University
of Science and Technology

Co-funded by
the European Union

REGISTRATION

The participation fee: 120 EUR.

For application process or additional info please visit [CIR website](#) or contact us at events@pwr.edu.pl
