

We are pleased to invite your institution to participate in our Erasmus+ Blended Intensive Program (BIP) titled “21st Century Skills for All.” This program is designed for both students and academic/administrative staff, and offers opportunities for teaching, training, and learning mobility.

The program will be hosted in Aksaray, located in the heart of Cappadocia, providing participants with a unique academic and cultural experience. The physical mobility is scheduled for 15–19 June 2026, supported by virtual components before and after the mobility.

The BIP focuses on key competencies such as critical thinking, problem-solving, digital skills, inclusive education, collaboration, and communication, within an international and interdisciplinary learning environment.

We kindly ask interested students and staff members from your institution to complete the application form via the link below:

[Application Form Link](#)

Participants who fill out the form will be contacted via email with further details regarding the program, participation requirements, and next steps.

We would be delighted to welcome participants from UNIVERSITATEA NATIONALA DE STIINTASI TEHNOLOGIE POLITEHNICA BUCURESTI to this engaging and collaborative program.

If you need any additional information, please do not hesitate to contact us.

Best regards
